

## Danger Signals!

Do you take cold with every change in the weather? Does your throat feel raw? And do sharp pains dart through your chest?

Don't you know these are danger signals which point to pneumonia, bronchitis, or consumption itself?

If you are ailing and have lost flesh lately, they are certainly danger signals. The question for you to decide is, "Have I the vitality to throw off these diseases?"

Don't wait to try SCOTT'S EMULSION "as a last resort." There is no remedy equal to it for fortifying the system. Prevention is easy.

## Scott's Emulsion

prevents consumption and hosts of other diseases which attack the weak and those with poor blood.

SCOTT'S EMULSION is the one standard remedy for inflamed throats and lungs, for colds, bronchitis and consumption. It is a food medicine of remarkable power. A food, because it nourishes the body; and a medicine, because it corrects diseased conditions.

50c. and \$1.00, all druggists. SCOTT & BOWNE, Chemists, New York

A female juggler in New York who handles dumb-bells weighing 50 pounds was annoyed by the attentions of a dude. She handled him easily enough when she concluded to break up the attentions the dude now thinks she is a horrid man.

It is the opinion of New York's smartest men that the cause of the late accident to the well-known juggler was not sufficient cause for the accident. They may consider it a coincidence to the well-known juggler.

I have been a sufferer from chronic diarrhoea ever since the war and have used all kinds of medicines for it. At last I found one remedy that has been a success as a cure, and that is Chamberlain's Colic, Cholera and Diarrhoea Remedy. — P. E. GRISHAM, Garrettsville, La. For sale by A. R. Champney, Druggist.

Made His Will Every Second Day. James W. Brown, a prominent citizen of Chatham, Ga., died a few days ago, aged 65. He was worth about \$50,000. He was in the habit of writing a will every other day, so that it is not definitely known yet what he has done with his money.

## THE TERRIBLE DROPSY Can be Cured.

The Latest Development of Medical Science. \$2.50 Worth of Medicine Sent Free.

R. C. M. BUCK, banker of Fairbault, Minn., had a very narrow escape from death. Six well-known physicians of Chicago and elsewhere had failed to cure him. "I had broken completely down," he writes. "My head, heart, stomach and nerves had troubled me greatly for years. Feared I would never recover; but Dr. Franklin Miles cured me with his Special Treatment. It is now three months since I began my treatment and I am now taking his medicine. I am entirely cured and able to tend to my usual duties. I am very thankful for the good he has done me and I wish that every one who suffers as I did, knew how successful he is in treating dropsy."

Sept. 18, 1898. Mrs. Spring Snowman, No. 282, 21 Ave. 30, Minneapolis, Minn. This new system of special treatment is thoroughly scientific and immensely superior to the ordinary methods. It consists of several remedies carefully selected to suit each individual case and is the final result of twenty-five years of very extensive research and experience in treating this class of disorders. It consists of a curative oil, tonic tablets, laxative pills and usually a plaster, selected to meet the requirements of each case. Extensive statistics clearly demonstrate that Dr. Miles' New and Complete Treatment is three times as successful as the usual treatment.

The Miles system of Home Treatment is new and remarkably successful. Advice, examination, two dollars and a half worth of treatment with full directions, and 1,000 testimonials sent free. Every ailing person should send a description to their case to Franklin Miles, M. D., L. L. B., 13th floor, Masonic Temple, Chicago. Few physicians in the world have so much confidence in their treatment as to give every patient an opportunity to try it, without charge. Write at once.

The Kind You Have Always Bought

To Sunday School Workers.

The very muddy roads April 6 and 7 made it necessary to postpone the County Sunday School Convention until May 15 and 16. Perhaps the most beautiful season of the year for a convention, also, we have secured the best talent to be obtained, and this 1899 convention at Tontogany is to be the best one we ever had.

Programs will be sent out soon. Do all you can to advertise it. We want every Township represented and want all Sunday School Workers to take some part in the convention.

Will you kindly do all you can to have a large attendance to get the benefit of the good things prepared for this convention.

Opens Monday noon and closes with Tuesday evening session.

REV. J. L. COOK, Secy., Haskins, W. E. KERR, Prest., Grand Rapids.

## BE SURE.

Be sure you need medicine before you take it, but having once found out that you need it—lose no time in getting the best. If it's for the Kidneys, Liver, Bladder or Blood, Rheumatism, Dyspepsia or for Chronic Constipation, the best is Dr. David Kennedy's Favorite Remedy, and a very simple way to find out if you need it, is to put some urine in a glass tumbler and let it stand 24 hours; if it then has a sediment or a milky, cloudy appearance; if it isropy or stringy, pale or discolored, you do not need a physician to tell you that you should take Favorite Remedy at once. It speedily cures such dangerous symptoms as pain in the back, frequent desire to urinate, especially at night, burning scalding pain in passing water, the staining of linen by your urine and all the unpleasant and dangerous effects produced on the system by the use of whiskey and beer. All reliable druggists sell Dr. David Kennedy's Favorite Remedy at \$1.00 a bottle, or 6 bottles for \$5.00.

By a special and particular arrangement with the manufacturers, our readers can try this grand medicine absolutely free. By simply sending your full name and post office address to the DR. DAVID KENNEDY CORPORATION, Rondout, N. Y., mentioning this paper, when a trial bottle of Favorite Remedy, together with a pamphlet of valuable medical advice, will be sent you by mail postpaid. The publishers of this paper guarantee the genuineness of this liberal offer.
